

Chiasma Access & Patient Support

# PROGRAM OVERVIEW

**JOHANNA**  
Patient Care  
Coordinator

**JOHN**  
Patient Care  
Coordinator

## Hi there,

On behalf of the entire CAPS team, we'd like to welcome you to the MYCAPSSA® (octreotide) delayed-release oral capsules family. With CAPS, you and your treatment success are our main priorities. You can reach out to us with any questions on your mind regarding getting, taking, or staying on MYCAPSSA. We're available 8:30AM-7:00PM Monday-Friday EST.

Our program, personal support, and ongoing communications are individually tailored to your needs, your schedule, and your preferences.

We look forward to becoming your partner on your journey with MYCAPSSA. We'll be with you every step of the way to provide ongoing support and advice.

Best wishes,

**JANAK**  
Member of the  
CAPS Care Team

### OUR CONTINUED SUPPORT

**Our job isn't over once you've started on MYCAPSSA.** We're here to guide you through your treatment routine, making sure your monthly MYCAPSSA supply is delivered to you on time, your questions are answered, and you have the support you need.

### Here are some of the detailed ways that we can help:

#### EDUCATIONAL SUPPORT AND TIPS FOR SUCCESS:

We can help you understand when and how to take MYCAPSSA, and share some tips for success **so that you can stay on track and make your transition as smooth as possible.**

#### SPECIALTY PHARMACY INTERACTION:

**We'll help with your initial set-up and delivery schedule for MYCAPSSA.**

Then your Specialty Pharmacy will reach out to you each month to coordinate a convenient delivery for your refills. Remember, you can always contact us for any further assistance.

#### INSURANCE NAVIGATION:

If your insurance changes, **we will help you navigate those updates and your coverage for MYCAPSSA.** If needed, we will also **explore financial assistance programs** for you.

**Please see full  
Patient Information.**
